Volunteer of the Month!

Snowbirds are a welcomed delight in this Village and **Tony Martin** sure spreads his wings when he's in town. Not only does this multi-tasker cook up a great Irish feast for the social dinner, but he also lends a hand to the many toils of the maintenance department. **Thanks Tony!**

The Village People!

The social committee held the St. Patrick's Day Dinner on Saturday, March 13th at 5pm. This year we were fortunate to have some entertainment from the Village. A group of four guys - Jim, Bob, David and Donald formed a small band called Winter Notes and they performed for us. Everyone enjoyed the entertainment and even stayed later than usual. My thanks to all who helped with the dinner and also thanks to the band for the entertainment.

A Good Deed!

We would like to recognize **Jack Robinson** and **Dave Vail** for the good deed they did on Sunday March 7th. Jack and Dave found a lost gray poodle in the area of Calabash Circle. They were trying to locate the owner since it looked old & hurt. They came to our house because they know we have 3 poodles. Unfortunately, we didn't recognize it. They had called the phone numbers on the NC tag and left a voice mail. However, after trying the police, animal control and rabies center, they were still not able to get anyone who would come pick it up. They took the dog home. Luckily, they received a call from the owner who stated the dog got out while they were in church. The owners were very grateful to the boys for doing that good deed by reaching them. Jack & Dave came by our house to let us know that the owner was located and we also got a call from the owner. Kudos to **Jack** and **Dave**. Great Job! **Norm & Linda Meaders**

Below are some consequences of no one running for the Board:

As you are aware, Windjammer Village of Little River, South Carolina Property Owners Association is a democratic body governed by a Declaration of Restrictions and Covenants; Bylaws; and Rules, Regulations, and Restrictions. This Board of Directors has worked diligently to uphold these regulations.

- ✓ Without a quorum of Board Members, the Village will be unable to conduct business.
- ✓ Without a budget, there will be no money to pay for Village amenities and/or services.
- ✓ The Village will be forced to lay off all employees.
- ✓ The Village office will be closed.
- ✓ All of the services provided by the office will be canceled.
- ✓ There will be no maintenance services.
- ✓ The Village will not be able to pay for pool maintenance and the pool will be closed.
- ✓ Without funds to maintain the trash compound, dumpsters will not be emptied and you will be forced to take your trash to the Horry County dump.
- ✓ The trash and storage Compound and Clubhouse will be locked to protect the assets of the Village and prevent trash buildup.
- ✓ You will be given 24 hours to remove your personal property from the storage Compound before the gates are locked.
- ✓ The front gates will be left open to allow access to the Village.
- ✓ All electrical, water and sewer service to Village-owned facilities will be terminated.
- ✓ Most likely, the Village will go into foreclosure or receivership. This will take an unknown amount of time and be handled by the court system. Receivership will most likely appoint a management company to run the Village.
- ✓ A new election will be required. Without a quorum, it is unclear how this will happen. Without a budget, there will be no money to pay for it.
