## Volunteer of the Month!

A heartfelt Thank You goes out to **Angela Marcotte** for 11 years of volunteer service as Board Secretary. Many folks do not realize that this is not a paid position, but a volunteer position that Angela has done flawlessly over the many years. This has been the last year for her in this volunteer position, and her presence at the BOD table will surely be missed. Never fear, however. Angela will continue on as Office Manager for WJV and still avail herself to the needs of the residents!! You rock **Angela!**

### The Village People!

#### Condolences.....

To the families of **Robert Marotta**, Lafayette Circle, and **Benjamin Broadway**, Gamecock Circle, on their recent passing.

.....

#### Congratulations to all our graduates!!

#### Annual Meeting – July 11 at 10am.

By now you should have received your annual packet in the mail. This contains items that need to be voted on. At a recent meeting a question about the budget was asked in regards to a certain line item. Melissa Basehoar, treasurer for the Village, has included her phone number and email on this proposal for any questions, so please, the BOD encourages any resident unsure what an item is or how we came up with the figure for that line item to call Melissa. She will be more than happy to explain. Also remember to Vote and get those ballots in by July 8!

We are in need of a lead individual to take on the task of working with the Beautification Committee to update our circles. Please contact Rosanne Pazoga if interested.

A representative from the South Carolina Emergency Management Division gave a very informative talk about wildfires and evacuation Thursday night at the clubhouse. Nearly 60 people were in attendance. An important note is that if we are evacuated, we should use SC Highway 9 as our route. Websites that we can get good information from are: [firewise.org](http://firewise.org) and [scemd.org](http://scemd.org).

#### Fines:

- \$50 fine for allowing a cat to roam
- \$50 fine for skateboarding on LR Drive

#### Letters:

- Letter recommending the owner paint their trailer
- Letter advising parents of their son's offensive language to an adult

Thank you to all committee Chairpersons for another amazing year of Volunteer service. At the annual meeting the BOD will decide the new positions of the BOD members, as well as, who will be Liaison for each committee. Please notify your new committee board liaison if you would like to continue on another year in your roll as Chairperson! Your support is greatly appreciated and needed and the BOD encourages all current volunteers to continue on with supporting your neighborhood.
