ADVISORY  
COMMITTEE:  
NEIGHBORHOOD FIELD REPORT

# WINDJAMMER VILLAGE

Dear Windjammer Village Neighbor at ,

On a recent village inspection, a member of the General Advisory Committee noticed that your residence may be in violation of our community's unkempt standards. (*RRR III. Real Properties, 2. Private Lots and Homes, c.*) We recognize that you work hard to keep your property up to appropriate standards, and we just wanted to let you know about this oversight. This form is not being reported to the BOD at this time, and you have thirty days (or more on your request) before your property will be reviewed again for compliance. The attached photos give more detail about the specific issue.

Thank you for your help in keeping our community consistently looking good and being a safe place for us all to live! If you have any questions or need to request an extension, please contact Suzanne Pritchard at [lspritchard@gmail.com](mailto:lspritchard@gmail.com).
